Recovered from COVID-19?

*Be a hero, help others! You
can donate **convalescent
plasma**.*

Convalescent plasma is collected from patients who have recovered from an infection. It contains antibodies that could help others fight the disease.

Qualifications:

- **Must have had a positive COVID-19 diagnosis** documented by a laboratory test.
- **Must have fully recovered from COVID-19**, with no symptoms for at least 28 days before the donation or recovered with no symptoms for 14 days and a second test with negative results.
- **Must meet all existing donor eligibility requirements.**

Call Gulf Coast Regional Blood Center at
713-791-6608 to schedule an appointment.
